STAY SAFE!

As temperatures rise, take the following precautions as you enjoy the spring season:

- ♦ Keep your doors and windows locked at night and when you leave the house.
- ♦ Always remove any valuables, close your car windows and lock the doors when you exit the vehicle, even if it's parked in your garage or driveway.
- ♦ Secure all lawn and garden equipment in your garage or shed and keep your garage doors closed at all times.
- ♦ Put all ladders and tools into secure storage areas when done using them.
- ♦ Be aware of home improvement scams. If you didn't call the contractor or salesman who shows up at your door, do not do business with that person or company.
- ♦ Get to know your neighbors! Neighbors who know each other look out for each other.

*As your
Trustee –at-
Large, I will
continue to host
gatherings to
better connect
with you, our
constituents.*

Pam Thompson

Meet & Greet / Coffee & Treat

The goal is to facilitate two-way conversation, answer questions and provide an opportunity to put a face to a name. To me, two-way communication is essential as a member of the Board and is key to a cohesive community. Our conversations will hopefully also help me refocus and/or confirm that I am representing the various points-of-view of you, our Foxfield residents, in a nonpartisan manner.

Open House concept to all Foxfield residents at my home -
16719 E Easter Ave.

Thursday, April 25th – 1-3PM

Sunday, April 28th – 2-4PM

Tuesday, April 30th – 6-8PM

Friday, May 3rd – 10AM–12PM

Sunday, May 5th – 2-4PM

Wednesday, May 8th – 6-8PM

Please call or email with a tentative RSVP for any date(s). Stop by for 5 minutes or stay as long as you'd like.

Not able to attend during the scheduled day/times?

Communication is important. Please contact me to schedule a meeting that best suits your schedule. I can make house calls or meet you in a public setting. Also feel free to use my side-mounted Foxfield mailbox to drop off information you would like to share.

Thank you in advance.

Pam Thompson

Trustee-At-Large

When is a Building Permit Required?

From replacing a water heater to building a new home, the question is always “Do I need a building permit?” Even small home improvement projects may require a building permit. Faulty installations can cause fires, flood damage and other hazards, and also force you to make costly repairs when you sell your home. Permits, and the inspections that come with them, protect your family’s safety and the value of your property by ensuring the work meets adopted building codes.

The Town currently enforces the **2015** edition of the International Building Codes. Zoning Standards for residential properties can be found in the Town Municipal Code, available on the Town website.

The Town employs contractors to provide building inspections, zoning review and engineering services. Their contact information is available on the Town’s website.

Note: This is not intended to be a complete list, nor is it intended to cover all types of projects or conditions. Depending on the scope of the project, a permit application can be submitted online via email to the addresses on the town’s website. If the project is large enough, plans can be mailed to the department(s) doing the review. For one-stop permits that do not require review (such as reroofs, furnaces and lawn sprinklers), email an application to the Town Clerk at clerk@townoffoxfield.com. A list of one-stop projects and plan review projects is below.

One-Stop Permits (no plan review is required):

Air Conditioning	Lawn Sprinkler
Demolition	Re-roof
Electrical Service (change 400 amps or less)	Siding/Stucco
Furnace Installation	Water Heater
Gas Fireplace	Water/Sewer Line
	Window Replacement

Permits that require a Plan Review:

Accessory Structure	In-Ground Swimming Pool
Addition to residence	New Residential Build
Deck / Patio	Patio Cover or Enclosure
Detached Garage	Remodel
Greenhouse	Shed / Pole Barn
Hot Tub/Spa if supported by structure; if on slab it requires an electrical permit	Solar Energy
	Wind Turbine

www.foxfieldcolorado.com

Projects that do NOT require a permit

- Replacement of like-for-like tiling, flooring, existing cabinets, counter-tops, electrical, plumbing fixtures
- Replacement of like-for-like doors or windows
- Painting, interior and exterior
- Security alarm systems
- Appliances that plug in without performing any additional work
- Concrete flat work outside of Town right-of-way
- Children’s play equipment

If in doubt or if you have questions, contact the Town Clerk (303) 680-1544 or the Building Department (303) 518-9760 before you begin the work

Recycling *Simplified*

Plastic Items NOT accepted:

NO PLASTIC BAGS

NO PLASTIC SYRINGES (needles)

NO clamshell or "To Go" plastic containers

NO Styrofoam plates or take-out containers

NO plastic plates, forks, spoons or knives

No six-pack holders

NO #7 PLA compostable containers

EMPTY
CLEAN
DRY

Plastic -- Only recycle plastic bottles and tubs. This is typically a #1 through #7 plastic and only pertains to the bottles and tubs. Please do not add clamshell containers or #7 PLA compostable plastics. No need to remove the screw tops on the bottles. In addition we accept the larger what are known as “mixed rigid plastics.” These are the larger toys and buckets. Here are some examples of plastics that are okay to recycle:

- Soda, water, and juice bottles
- Liquid detergent and other cleaning supply bottles
- Condiment bottles (ketchup, mustard, etc)
- Milk jugs and orange juice jugs
- Shampoo bottles and liquid soap dispensers
- Peanut butter jars (please rinse out)
- Butter and Yogurt tubs
- Large toys (no metal or wheels)
- Plastic Lawn furniture
- Plastic buckets (with metal handles removed)
- Styrofoam™

- Aluminum or Tin Cans ONLY – Please make sure any aerosol cans are totally empty. This would include containers such as shaving cream and hairspray cans. Labels are okay. **NO OTHER STEEL ITEMS.**
- Cardboard – Make sure to flatten cardboard. No wax-lined cardboard is accepted in the recycling mix. Wax-lined cardboard can be composted in a different service.
- Brown paper bags – **NO PLASTIC BAGS.**
- Chip or Paperboard – This type of material includes items such as:
 - Cereal boxes
 - Soda carrier boxes
 - Tissue holders
 - Other food boxes such as popcorn or microwave food boxes (not the cooking sleeves)
- Newspaper – We accept the entire newspaper including the inserts and ads
- Office Paper – All types of office paper are accepted. If you can tear it, we can take it. All colors are fine as well. Don’t worry about paperclips, staples, tape, and sticky notes. These are all okay in the mix. NO TYVEK (polyethylene fiber) plastic, over-night mailing folders. **NO SHREDDED PAPER.**
- Bulk or Junk Mail – This material is okay as well. Do not worry about any stamps or staples or sticky notes in this material, either. Remember, if you can tear it, we can take it. Again, NO TYVEK (polyethylene fiber) plastic, over-night mailing folders.
- Magazines & Catalogs -- Please discard plastic bags around these items and items such as CDs and magnets. Everything else is okay.

4th of JULY PLANNING IN PROGRESS

Foxfield will be celebrating **25 years** of incorporation at our 4th of July Parade and Picnic. Our largest community event cannot take place without help from our residents. Where can you volunteer your services?

TEAM PREP – tent and table rental set-up (1-2 hours July 3rd)

TEAM PARTY – decorating and supplies (1 prep meeting scheduled as needed & 1 hour on July 4th)

TEAM PARADE – barrier placement and parade marshal duties (1 prep meeting scheduled as needed & 2 hours July 4th)

TEAM FOOD – food / drink arrangements and oversight (1 or 2 prep meetings scheduled as needed & 2-3 hours July 4th)

TEAM COMMEMORATE – milestones and historical arrangements (2-4 prep meetings scheduled by team & 1-2 hours July 4th)

TEAM ACTIVITIES – children's games and oversight (1 prep meeting scheduled as needed & 2-3 hours July 4th)

TEAM DEMO – clean-up (2 hours July 4th)

Volunteering is a great way to meet new people and allows you to choose a position that best suits your personal time and talents. Also, many hands help make a lighter load and a successful celebration.

Contact Pam Thompson to help plan this fun community event.

INTEGRITY PROFESSIONALISM SERVICE

Representing Buyers and Sellers since 1995

I offer a comprehensive approach to marketing your home from preparing it for sale to a successful close. It is important that your realtor both appreciates this wonderful community we have and understands its uniqueness. I will be by your side for the entire journey.

- Initial meeting to determine your goals and timeline
- In depth market analysis to determine best listing price strategy
- Provide advice on preparing and enhancing your home to capture top dollar
- Extensive marketing
- Skilled Negotiations
- Successful close

Foxfield is truly a special place to live and raise a family. We have lived here since 1997, raised 4 children and now our grandchildren are enjoying country living. I believe so much in this wonderful community that I have served on the Board of Trustees as both trustee and Mayor since 2008. Trust the sale of your home to someone who truly understands and cares about this community.

Summary of 2018 Traffic Sign Data

Foxfield's speed signs record a date/time stamp and the maximum vehicle speed. The signs are placed at various stations of interest as indicated by an **X** on the Town of Foxfield Map.

The primary data extracted is the NUMBER OF VEHICLES, the NUMBER OF DAYS IN USE, the 85TH PERCENTILE, and the MAXIMUM VEHICLE SPEEDS which is sorted into five speed groups. The number of vehicles EXCEEDING 40 MPH as well as the MAXIMUM SPEED OBSERVED during the data period is also recorded. The accumulated data is analyzed.

Each station (**X**) on the Town of Foxfield Map shows the DAILY AVERAGE of the data collected. The highest volume by far is southbound traffic on Richfield, coming into Foxfield from Arapahoe Road with measured volumes averaging 1070 vehicles per day; a decrease of approximately 20 vehicles per day analyzed in 2017. (due to the dip, a "double count" may compromise the accuracy at this station although the numbers are in line with previous years of data collection).

Further south on Richfield the volume drops 47% to 502 vehicles per day; a decrease of approximately 70 vehicles per day as analyzed in 2017 and perhaps supporting the "double count" theory. Northbound traffic traveling on Richfield is averaging 836 and 664 vehicles per day (808 & 714 was reported in 2017). These may be a good indicator of increased afternoon cut through traffic patterns through Foxfield.

Another top contender in traffic volume would be southbound Waco with an average of 651 vehicles per day. These counts have remained rather constant the past 2 years. Easter Ave being a main thoroughfare, observes higher volumes of traffic traveling westbound at 503; although this is a decrease of approximately 90 vehicles per day as analyzed in 2017. Yet northbound Yampa seems to be experiencing the largest increase of volume at 263 vehicle per day which only recorded 203 in 2017.

Elsewhere our roads are experiencing about one fourth (1/4) of the volume that our residents on Richfield endure daily.

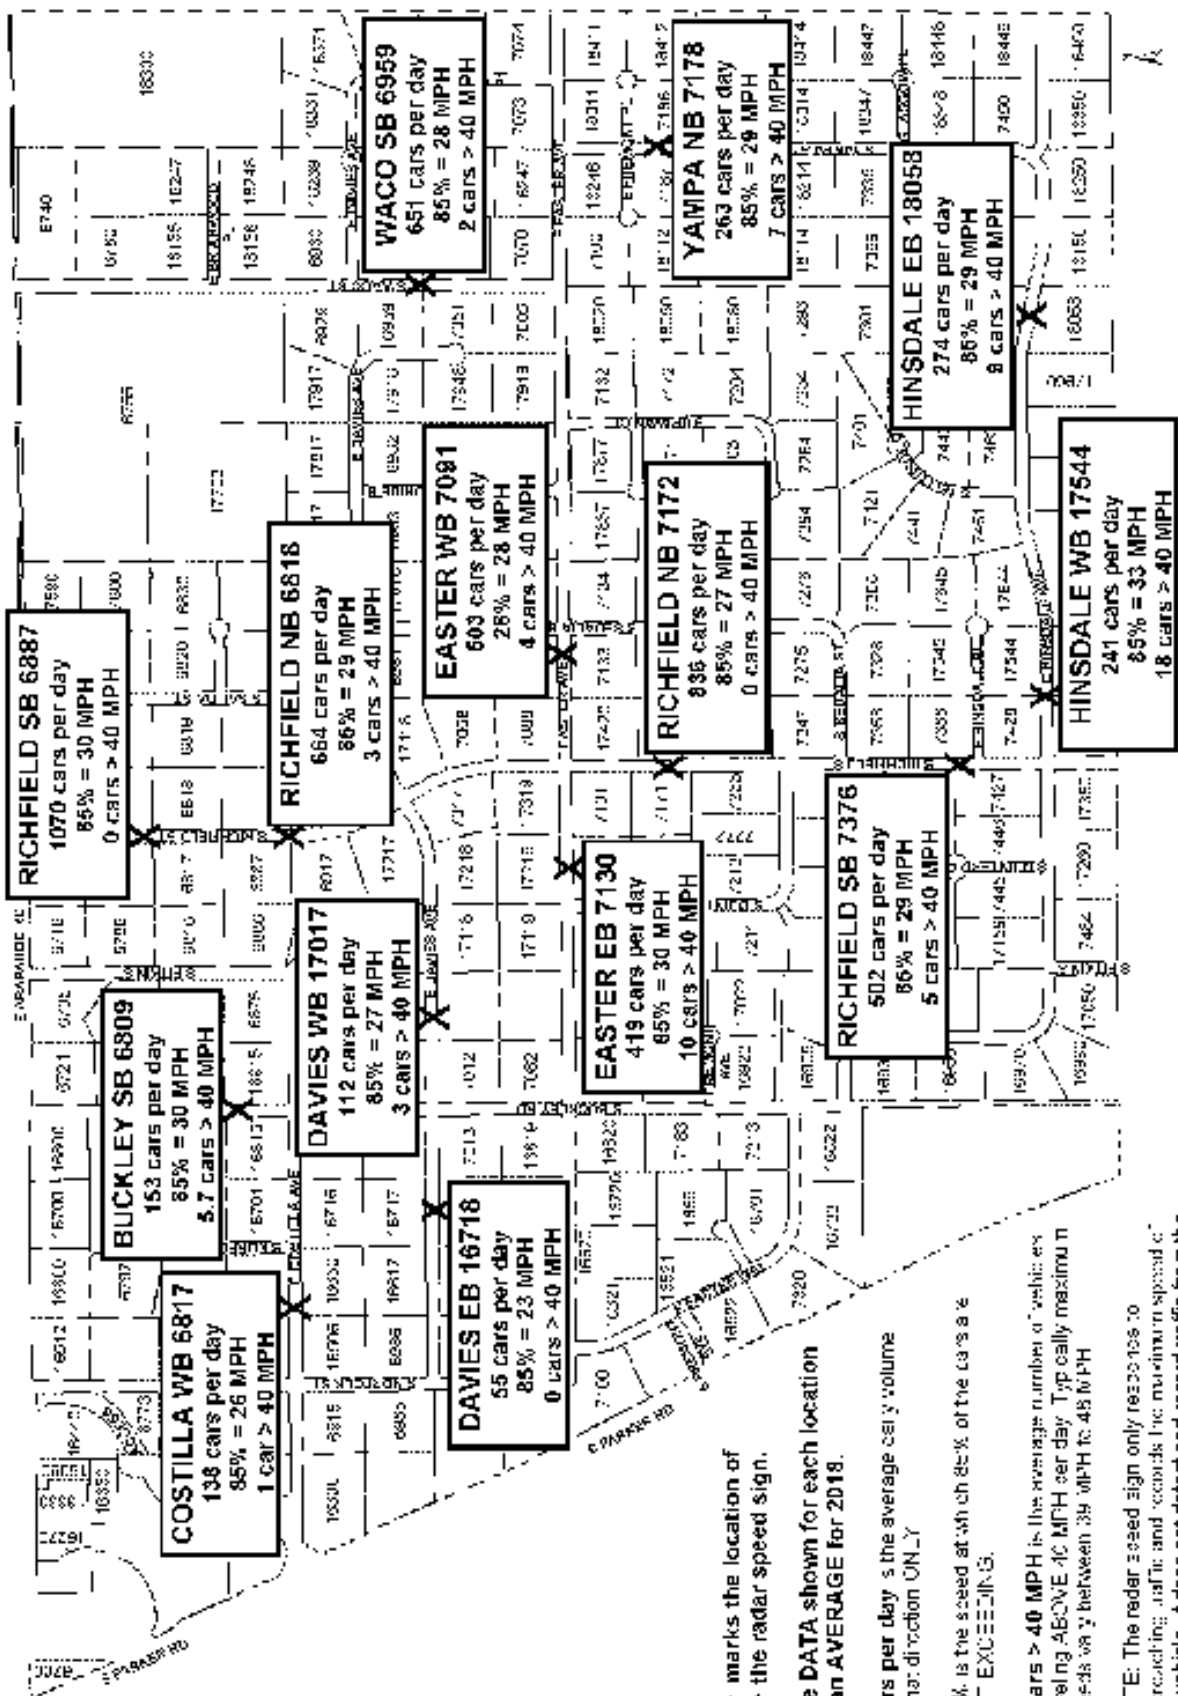

Even with experiencing a higher traffic volume, 85% of the vehicles are travelling at 30 MPH or less at 12 out of 13 stations, meaning that many of our Foxfield drivers and commuters are driving at a respectable speed. This data shows no significant change from previous years. However, traffic traveling westbound on Hinsdale near Richfield consistently exceeds this mark with 85% of the vehicles traveling at 33 MPH. The data collected also shows a significant number of cars EXCEEDING 40 MPH on westbound Hinsdale, an average of 18 cars per day during the test period; as well as eastbound Hinsdale near Yampa with an average of 9 cars per day exceeding 40 MPH. Excessive speeds tend to range from 41 to 48 MPH.

The data containing the number of vehicles EXCEEDING the 40 MPH for each station may be viewed by the TIME the infraction occurred. **66.4%** of those vehicles traveling 41-48 MPH are observed outside the expected hours of the AM and PM commuter traffic time frames.

Foxfield Residents: Please be respectful, set the pace and lead by example.

If you have any questions or would like more information regarding the collection or analysis of data please contact Pam Thompson – pthompson@townoffoxfield.com, 303-680-7404.

TOWN OF FOXFIELD

X marks the location of the radar speed sign.

The DATA shown for each location is an AVERAGE for 2018.

Cars per day is the average daily volume in that direction ONLY.

85% is the speed at which 85% of the cars are NOT EXCEEDING.

cars > 40 MPH is the average number of vehicles traveling ABOVE 40 MPH per day. Typically maximum speeds vary between 35 MPH to 45 MPH.

NOTE: The radar speed sign only records the speed of vehicles traveling in the direction of the sign. It does not detect and record traffic in the opposite direction.

MINUTES—BOARD OF TRUSTEES MEETING December 13, 2018

Call to Order/Roll Call

The meeting was called to order at 6:30 p.m. at South Metro Fire Protection District Station #42 at 7320 South Parker Road, Foxfield, Colorado. The Pledge of Allegiance was recited.

The following Trustees were present: Scott Freas, Pam Thompson, Amy Snell-Johnson, Lori Finch, Dave Goddard and Mayor Lisa Jones. A quorum was present.

Audience Participation

Jerry Zoellner, 16915 E. Costilla Avenue, asked about the status of the traffic gate approval by CDOT.

Consent Agenda

Mayor Jones moved, seconded by Trustee Snell-Johnson, to approve the following items on the Consent Agenda:

- a. Approval of Minutes – November 15, 2018
- b. Financial Reports – November 2018

The motion passed by unanimous voice vote.

Items Removed from Consent Agenda

None

Public Hearings

Ordinance 2018-02, Sound Walls in Residential Districts

Mayor Jones opened the continued public hearing at 6:33 pm.

Town Administrator Proctor gave a brief overview of the ordinance changes adding language pertaining to four properties along Arapahoe Road.

There being no other discussion or comments, the mayor closed the hearing at 6:35 pm.

Trustee Goddard suggested removing the language specific to four properties and waiving the permit fee for all properties constructing sound walls adjacent to Arapahoe Road, Parker Road and South Lewiston Way. The Board agreed with that change.

Mayor Jones moved to approve Ordinance 2018-02, A Bill for an Ordinance Amending Chapter 16 of the Foxfield Municipal Code Concerning Sound Walls in the Large Lot Rural Residential District as amended. Following a second by Trustee Finch, the motion passed by unanimous voice vote.

2019 Proposed Budget

Mayor Jones opened the public hearing at 6:36 pm.

Trustee Freas requested clarification of the estimated sales tax amount for 2018.

Mayor Jones closed the public hearing at 6:38 pm.

Resolution 2018-06, Adopting a Budget, Levying Property Taxes and Authorizing Appropriations for Fiscal Year 2019

Mayor Jones moved to approve Resolution 2018-06, Adopting a Budget, Levying Property Taxes and Authorizing Appropriations for Fiscal Year 2019. Following a second by Trustee Goddard, the motion passed by unanimous voice vote.

Memorandum of Understanding for Centennial Airport Community Noise Roundtable

This was discussed in detail at the November 15, 2018 Board of Trustees meeting. Mayor Jones moved to approve the Memorandum of Understanding for Centennial Airport Community Noise Roundtable along with the Funding Structure for the Operation and Activities of the Centennial Airport Community Noise Roundtable. Following a second by Trustee Finch, the motion passed by unanimous voice vote.

Reports

Mayor

Mayor Jones noted the crack sealing has been completed.

Members of the Town Board

Trustee Thompson reported the new bulletin boards and pet waste stations will be installed as soon as possible. Town Clerk Gallivan will discuss changing the bags at the waste stations with Terracare.

Trustee Finch has scheduled a meeting with Joe Lopez, a resident who has volunteered to construct the library boxes.

Staff

The Board agreed with Town Clerk Gallivan's recommendation to cancel the January 3, 2019 study session.

Adjournment

Mayor Jones adjourned the meeting at 8:27 p.m.

MINUTES—BOARD OF TRUSTEES MEETING

January 17, 2019

Call to Order/Roll Call

The meeting was called to order at 6:30 p.m. at South Metro Fire Protection District Station #42 at 7320 South Parker Road, Foxfield, Colorado. The Pledge of Allegiance was recited.

The following Trustees were present: Scott Freas, Pam Thompson, Amy Snell-Johnson, Lori Finch, Dave Goddard and Mayor Lisa Jones. A quorum was present.

Audience Participation

Tom Meigel, 17917 E. Davies Avenue, spoke about a pack of coyotes around his house. These animals have mange and possibly distemper, which are contagious and can infect domestic animals and people. Mr. Meigel has been unable to find any agency willing to help.

Consent Agenda

Mayor Jones moved, seconded by Trustee Freas, to approve the following on the Consent Agenda:

- a. Approval of Minutes – December 13, 2018
Financial Reports—December 2018

b.

The motion passed by unanimous voice vote.

Items Removed from Consent Agenda—None

Public Hearings

Our Lady of Loreto Amendment to Planned Sign Program

Mayor Jones opened the public hearing at 6:37 p.m.

Town Planner Mike Pesicka gave an overview of the application to allow a double-sided electronic monument sign at Our Lady of Loreto, at the corner of E. Arapahoe Road and S. Waco Street. The sign will be 6 feet high with 48 square feet per face; these dimensions were approved last March, but the Board requested an additional hearing if the sign would be electronic.

There were questions regarding when the lighted sign would be dimmed and when it might be turned off entirely.

Mayor Jones closed the hearing at 6:48 p.m.

Following a discussion of how best to mitigate light pollution, Mayor Jones moved to approve the Our Lady of Loreto Planned Sign Program Amendment application finding that it is in substantial compliance with the PD Zoning regulations and the applicable General Development Standards in Chapter 16 of the Municipal Code with the following condition; the EMC sign shall be dimmed at dusk and remain dimmed until sunrise. The motion was seconded by Trustee Goddard and passed by unanimous voice vote.

Resolution 2019-01, Designating Public Places for the Posting of Meeting Notices

Trustee Goddard moved to approve Resolution 2019-1, Designating Public Places for the Posting of Meeting Notices as written. Following a second by Trustee Snell-Johnson, the motion passed by unanimous voice vote.

2019 Addendum to SEH Contract

Trustee Goddard moved to approve the 2019 Addendum to the SEH contract including the Rate Sheet, seconded by Trustee Finch. The motion passed by unanimous voice vote.

2019 Addendum to SEH Contract

Trustee Goddard moved to approve the 2019 Addendum to the SEH contract including the Rate Sheet, seconded by Trustee Finch. The motion passed by unanimous voice vote.

SEH Gate Proposal and Scope of Work

Debby Farreau spoke about some concerns regarding the RFP. Following a detailed discussion, Town Engineer Erica Olsen agreed to clarify the role of SEH after consultation with Town Administrator Proctor. Traffic Committee Chair Josie Cockrell and member Debby Farreau will work with the Town Administrator to help determine the specifics. SEH was directed to eliminate the optional survey from the proposal.

Reports

Mayor

Mayor Jones spoke with a representative from Chenango who is under the impression Chenango residents would have access through the Foxfield gates in exchange for allowing the Town to use a small portion of the bridle path for the Richfield gate. This will be clarified with Holly Taylor, the Traffic Committee member who met with the Chenango board.

The coyote problem needs to be addressed, particularly since distemper leads to aggression. Trustee Finch suggested contacting the CSU Extension office since no other agency is willing to get involved. Mayor Jones will do more research. It was agreed to have a brief business meeting on February 7 to discuss the cost and feasibility of potential solutions.

Mayor Jones and Town Administrator Proctor discussed the high cost of law enforcement with the Sheriff's Department based on the property valuation in Foxfield. The Board agreed to ask the City of Aurora and the Town of Parker about the possibility of contracting with one of them for law enforcement. Mayor Jones also will meet with the County Commissioner to explore the issue. The Sheriff's Department will explore the possibility of sharing traffic infraction revenues from tickets issued along Arapahoe Road with the Town.

Members of the Town Board

Trustee Goddard suggested contacting Critter Control of Colorado regarding coyote control.

Trustee Goddard reported that published code Section 7-2-10 is incorrect. Ordinance 2013-07 made changes to the code regarding discharge of firearms but the published code does not reflect those changes. Town Clerk Gallivan will check into this.

Trustee Thompson noted planning for the 4th of July 25th anniversary celebration should begin now. She and Town Clerk Gallivan will work on the plans.

Trustee Thompson presented a detailed traffic report showing volume and speed in several locations. The most excessive speeds were detected along S. Yampa Street outside of rush hours, appearing to indicate it is frequently Foxfield residents ignoring the speed limits. She asked if we could get off-duty officer patrols between 9-11 a.m. and 1-5 p.m.; Town Clerk Gallivan will check with the Sheriff's Department

Trustee Scott Freas reminded the Board that we need to get added to the schedule for crack sealing earlier this year. Town Clerk Gallivan will discuss this with SEH.

Staff

Town Clerk Gallivan's reported that Libations has signed a new three-year lease in the Foxfield Village Center.

Interviews for Board Vacancy

The Board interviewed Debra Farreau in person and Mark Gibson via phone for the Trustee-at-Large vacancy. Following a discussion of the candidates, the Board voted 4-1 with one abstention to offer the position to Debby Farreau. Ms. Farreau accepted the offer.

Adjournment

Mayor Jones adjourned the meeting at 8:54 p.m.

MINUTES—BOARD OF TRUSTEES MEETING

February 21, 2019

Call to Order/Roll Call

The meeting was called to order at 6:30 p.m. at South Metro Fire Protection District Station #42 at 7320 South Parker Road, Foxfield, Colorado. The Pledge of Allegiance was recited.

Trustee-at-Large Debra Farreau was sworn in by Town Clerk Gallivan.

The following Trustees were present: Pam Thompson, Amy Snell-Johnson, Lori Finch, Dave Goddard. Debby Farreau and Mayor Lisa Jones. A quorum was present.

Consent Agenda

Mayor Jones moved, seconded by Trustee Thompson, to approve the following items on the Consent Agenda:

- a. Approval of Minutes –January 17, 2019
- Treasurer's Report – January 2019

The motion passed by unanimous voice vote.

Items Removed from Consent Agenda - None

RFP for Public Works Services

Following a discussion concerning an RFP for public works services, it was decided that Town Administrator Proctor will draft an RFP that Town Clerk Gallivan will distribute. The timing to begin the new contract will be 30 days after selection of a company.

Traffic Committee

Josie Cockrell, chair of the Traffic Committee, spoke about the options available to the Town regarding placement of the gate on South Richfield Street. She noted that if the gate is placed in Foxfield, a turnaround could be located on Town right-of-way and no negotiations would be required with the Chenango HOA or the City of Centennial. Town Attorney Sellars suggested having a conversation with the City of Centennial to let them know Foxfield will be installing a gate that will impact traffic in Chenango.

SEH Gate Proposal and Scope of Work

Following a discussion of the revised Gate Proposal and Scope of Work, Trustee Goddard moved to approve \$11,325 not-to-exceed for SEH to execute the proposal outlined in the Supplemental Letter Agreement. The motion was seconded by Trustee Finch and passed by unanimous voice vote.

Reports

Members of the Town Board

Trustee Thompson reminded the Board of the need to get the Town on the calendar for crack sealing.

Trustee Thompson spoke about the intensity of the lighting at Our Lady of Loreto throughout the night. Town Administrator Proctor will discuss the lighting with the church.

Trustee Thompson presented a detailed traffic summary of volume and speeds calculated from the radar sign data. She noted that the highest speeds are during the day outside of rush hours, indicating most of the speeding violations are not coming from cut-through traffic.

Trustee Goddard asked about the date for Spring Clean-Up, which has been set for June 1.

Trustee Finch said she would check into the construction timeline of the library boxes.

Trustee Farreau requested that the Town Clerk communicate with residents regarding the traffic access gates project. Periodic updates will be sent to residents and posted on the website.

Mayor

Mayor Jones is researching the most effective method of communication with residents regarding coyotes. In addition to emails, an annual meeting to share knowledge about coyotes is a possibility.

Mayor Jones discussed the feasibility of acquiring vacant land in Foxfield for some additional open space.

Staff

Town Clerk Gallivan reported that the speed radar signs are getting old and the cost of replacement parts and repairs is increasing. She will check into stationary radar signs that can be mounted on poles.

Adjournment

Mayor Jones adjourned the meeting at 7:53 p.m.

We are here to "Restore Peace of Mind After the Storm"! We reside in Foxfield, love our community and are an honest "Family Owned" business. We offer "Free Roof Inspections". Do not call your insurance company first. Call us first, we will get on your roof to assess damage. If you don't have damage, there is no reason to contact your insurance company.

WE are NOT storm chasers, we are your neighbors. We believe in HONESTY AND INTEGRITY.

Please call us for a "Free Roof Inspection" at 303-502-9999.
